Grader  Yi Cai
Office:  434 Physics
Office hours:  Thursday 3-4

Prerequisites  Physics 104A. Note that Physics 104B is not required.

Grading  Homework 20%
Problem sets will be due roughly once a week (usually Tuesdays) at the beginning of class. Late problem sets will usually be accepted for half credit up to one class period after the due date. The lowest problem set grade will be dropped. Problems labeled “T” (test-style) or “optional” need not be handed in.

Midterm 30%
There will be one midterm, tentatively on May 6, 2010.

Final Exam 50%
The final will be on Monday June 7, 2010 at 10:30 AM. Approximately three-quarters of the final will test material covered after the midterm.
